Description

SPECIAL FREE GIFT

Relief Sun 10ml

- Relief Sun is an organic sunscreen that applies gently on the skin and by also including skin calming ingredients, it allows sensitive skin types to use it with ease as well.
- Lightweight and creamy type organic sunscreen that's comfortable on skin. Even if you apply a large amount several times, it is not sticky and gives a moist finish like that of a light moisturizing cream.
- Demonstrating natural skin is possible without a heavy feeling even after applying several layers as the formula is moist and does not leave white cast.
- Lightweight cream texture: similar to a light moisturizing cream, and it is not sticky or slippery even if you apply it several times.
- 30% Rice Extract: Rice is a treasure trove of vitamins B, C, and E, amino acids, and minerals. This powerhouse ingredient deeply moisturizes, leaving your skin replenished and glowing.
- Grain Fermented Extracts: Enriched with vitamins, amino acids, and minerals, this harmonious blend nourishes your skin with a wholesome dose of nutrition. They work synergistically to soothe, calm, and revitalize your skin.
- SPF & PA Protection: SPF and PA tests were completed in labs in both Korea and Spain
- Formulated with EWG-certified ingredients with skin-soothing benefits, making it highly suitable for sensitive skin.
- Free of oxybenzone, octinoxate and animal-derived ingredients.

Suggested Use

At the last step of skin care routine, take an appropriate amount of sunscreen and apply it onto your face and neck
